

CSCE Honors Required Meeting Preparation Form

- Please fill out this form in advance and bring it to your meeting with the CSCE Honors coordinator.
- Please read [this webpage](https://engineering.tamu.edu/academics/eh/program/csce-track/requirements.html) for background information about the requirements. (full link below)

*****The purpose of the meeting is not to tell you about these requirements (as you can read them), but to allow you to ask questions about them*****

Name: _____ **Email:** _____

Major: ☐ CPSC ☐ CECN ☐ BA-COMP ☐ ENGR (not in a major yet) ☐ Other: _____

UIN: _____ **Expected graduation semester:** _____ **Current GPA:** _____

Track Coordinator (who you're meeting with): _____ **Meeting date:** _____

Research Advisor (professor you're doing research with, if applicable): _____

Activities: Which activities have you already attended or plan to attend for this semester?

- CSCE Honors Track activities: <https://calendar.tamu.edu/eh-csce/view/all>
- EH activities: <https://engineering.tamu.edu/academics/eh/activities/index.html>

If you are in a major (NOT ENGR) you are required to attend **3 activities per semester.*

As of August 2019, there are no longer "mandatory" events for the CSCE track, as there were in previous years.

If you're not in a major yet (ENGR) you are required to attend **1 activity per semester.*

Coursework: List all honors or graduate courses you have taken or are currently taking. This includes any computer science, math, science, or engineering courses. Do not include any 491-type courses.

What is your plan for completing the 15 hours of honors or graduate coursework (including at least one 400-level or graduate-level CSCE course) by the time you graduate?

Fast Track: Are you interested in the fast-track program? ☐ YES ☐ NO

If so, what fast-track courses have you already taken or do you plan to take?

Research Experience: Have you started doing research with a CSE professor? If so, who is your research mentor and what is the topic of your research?

If not, what steps have you taken so far to acquaint yourself with the research opportunities in the CSE Department and to identify a research mentor?

Are you currently taking, or have you already taken, your 6 hours of CSCE 491H?

☐ YES - Currently Taking ☐ YES - Completed ☐ NO

Are you currently participating in the University's Undergraduate Research Scholars program, or have you already done so? ☐ YES - Currently YES - Completed ☐ NO

If you have not already started (or finished) CSCE 491H and URS, what is your plan for completing them by the time you graduate?

Do you plan to use your first 3 hours of CSCE 491H to replace a technical elective?

☐ YES ☐ NO

Do you plan to use your second 3 hours of CSCE 491H to replace the capstone senior design course? ☐ YES ☐ NO

Questions: List any questions you'd like to discuss with the coordinator.
